

E>Eye Ipl Treatment

DRY EYE ASSESSMENT

A one-on-one consultation with the optometrist focussing on your dry eyes, and to formulate an individualised treatment program to treat it.

Treatment options may include the E>Eye technology or in-office therapy for the eyelids.

The assessment will include a comprehensive dry eye evaluation with the Anteres, designed to analyse the quality of your tears and the health of your eyelids.

E>EYE IPL TREATMENT PACKAGE

You will receive:

4 x IPL Dry Eye treatments on days 1, 15, 45 and 75.

Complimentary treatment pack which includes:

- **Bruder hot compress mask**
Hypoallergenic moist heating beads

And any of the following, depending on your individual needs:

- **Systane Balance eye drops**
Specially designed to supplement oily layer in tears
- **LacriTec tablets**
- Nutritional supplements assist with dry eyes
- **SteriLid or OcuSoft Lid Scrubs**
- Antibacterial lid cleaning foam
